Thanks Heather. We are OK with the letter at the WPD and ORC level. I have shared it with the RA's Office just now to see if they have any remaining questions.

Jon

Hi Jon and Karen,

Lori and Deb had an exchange and were fine with the language in the attached version of the letter. I would like to send a version to Tinka Hyde that can go onto the R5 RA for sign-off. Is R3 okay with this language? I appreciate your time.

Best wishes,
Heather

Heather -- Our contact for counsel is Lori Kier number is (215) 814 2656. I'm still checking on a middle initial for her, but nothing worth holding up the letter any longer. Thanks!!

EPA INTERNAL DELIBERATIVE

Hi Beth and Joyce,

I am forwarding you an inquiry sent to the R3 and R5 RAs from Robert A. Bilott, an attorney in Ohio, requesting that EPA consider new health effects data to evaluate the 0.40 parts per billion (ppb) site-specific action level for perfluorooctanoic acid (PFOA) in EPA's 2009 consent order with DuPont's Washington Works Facility in West Virginia.

Attached is a draft response for the Agency. Could you review and provide any edits?

Thank you for your time. Please contact me with any questions or concerns.

Best wishes,
Heather
